

Surface protective nets

Material:
Polyethylene

Sample order:
nlm 96500-007X25000

Note for ordering:
Release as roll ware only

Note:
Effective protection for surfaces and delicate wares. Very resistant to outside influences and environmentally friendly, i.e., recyclable. Can be self-cut according to individual need. Usable many times over, thanks to good reset effect at output aperture.

Order No.	Recommended diameter	Colour	Length
96500-007X25000	7-15 mm	orange	250 m / on the roll
96500-015X20000	15-25 mm	blue	200 m / on the roll
96500-025X10000	25-50 mm	yellow	100 m / on the roll
96500-050X10000	50-100 mm	red	100 m / on the roll
96500-100X05000	100-200 mm	green	50 m / on the roll
96500-200X05000	200-300 mm	organs	50 m / on the roll
96500-300X05000	300-600 mm	white	50 m / on the roll
